Expense	Club covers:
Gas →	Up to \$150 per car + 50% tip to driver (max of \$20)
Lodging→	Max \$5 per person per night (indoor) Max \$10 per person per night (outdoor)

1. Fill out an expense report online (http://www.outdoorsatuva.org/members/expense_report).
2. Submit a *completed* reimbursement form with *all* receipts to a treasurer within 30 days of your trip. You'll get a check from the club.

Be Prepared

Before you depart, print out your reimbursement form, and print out a list of attendees, with phone numbers and responses to trip questions.

Other Notes

When you set up your first trip online, please ask the officers to approve it before you announce your adventure to the rest of the club. For other resources on leading, check out the "member resources" section of our website.
